NOTE FROM SUPERINTENDENT REV JILL MARSH

We have been delighted to see more and more people meeting for circuit services and we look forward to seeing you at the next ones. Praise be to God for all that the Holy Spirit does in and through the Methodist people of this circuit.

We have committed to becoming an eco-circuit and, over this plan, each church is asked to celebrate an 'Eco Service'. Materials and help will be sent to churches for this work and I hope you will feel 'one in heart and spirit' as we make these new commitments together.

Lastly, we hope to see as many of you as possible at our circuit 'Working Together' session (advertised with the plan) as we develop our ideas for creating the kind of worship style and pattern which we feel confident inviting our communities to attend.
